WHO NEEDS DISCIPLINE in YOUR HOME?

Back by popular demand!!!

"DISCIPLINE IN 60 SECONDS FLAT" PARENT WORKSHOP

JANUARY 22 9:15 - 10:15 am

NEW TIPS will be added to these proven lessons!

We hope you will come and join in the discussion as we learn from one another what is working to draw our children to choose the right path for their journey!

This year we challenge you to

BRING IT HOME!!!

- ~ Study your Bible at HOME, not just at church
- ~ Take time to talk to God DAILY about what's going on in your life, instead of praying on Sundays
- ~ Invite your "church friends" over for lunch, dinner, or a playdate, don't just say "hi" in passing.
- ~ Grow in your faith together thru taking on a family mission project don't wait on others to "do it"

Jesus did not just "GO to church". He lived and breathed his faith in God EVERY day of the week, no matter where He was. May we model His perfect example in 2012.
