Do YOU or YOUR KIDS NEED DISCIPLINE?  
Back by popular demand!!!

## "DISCIPLINE IN 60 SECONDS FLAT" PARENT WORKSHOP JANUARY 22 9:15 - 10:15 am

This curriculum was written by well-known family therapist Dr. Larry Koenig, author of Smart Discipline. The presentation will be given by Shawna Furman.

The information presented will be applicable for parents with children of all ages. Parents, this will be one you won't want to miss! Lots of helpful tips will be given, not only for getting a handle on discipline in your home, but also to help ensure your child will grow-up with high self-esteem. If you have attended this particular workshop in the past, please come to share in the conversation!

This year we challenge you to  
**BRING IT HOME!!!**

- ~ Study your Bible at HOME, not just at church
- ~ Take time to talk to God DAILY about what's going on in your life, instead of praying on Sundays
- ~ Invite your "church friends" over for lunch, dinner, or a playdate, don't just say "hi" in passing.
- ~ Grow in your faith together thru taking on a family mission project don't wait on others to "do it"

Jesus did not just "GO to church". He lived and breathed his faith in God EVERY day of the week, no matter where He was. May we model His perfect example in 2012.

WE MISS YOU WHEN YOU ARE NOT HERE!

\*\*\*REMINDER: If you cannot attend your usual Sunday School class on a particular Sunday, bring the bulletin from the church you do attend or a parent note if you are sick you can still earn your perfect attendance rewards. We can't wait to see you every week!

Let's Have a GREAT START to the New Year!
